This matter comes before the Public Service Commission of South Carolina (the Commission) on the December 29, 1994 Motion of Heater of Seabrook, Inc. (Heater) to Dismiss.

On or about November 28, 1994, the Town of Seabrook Island filed a Petition for a Declaratory Ruling and Transfer of Certificate of Convenience and Advantage. In the Petition, the Town of Seabrook Island requested certain relief related to future condemnation of the utility owned and operated by Heater. On December 29, 1994, Heater filed its Answer and Motion to Dismiss the Petition for lack of jurisdiction.

The Commission has considered the matter and believes that oral arguments on Heater's Motion to Dismiss would help clarify the issues in this very complex matter. The Commission therefore
